Hi Dan,

I realized the earlier courtesy copy did not include the attachments referenced in the cover letter. I have added them to this version in the event this would be beneficial to your team.

Thanks and have great afternoon,

Monty

Hi Dan,

Please find a courtesy copy of a label amendment for Tavium Plus VaporGrip Technology (EPA Reg. No. 100-1623) submitted 8/12/2020 by Syngenta. In addition, an xls sheet has been included that contains 2 tabs: one that covers data and information submitted by Syngenta in support of Tavium during 2020 and a second that covers submissions from 2017-2020. I trust this information is helpful. Please let me know if we can provide any additional information at this time.

With Best Regards,
Monty
